Handing in the problems below is optional. I will compute every student’s HW grade based on the average of their other assignments. For those students who hand in this assignment, I will also recompute the average including this assignment, and give you the higher of the two grades.

(1) Section 27:5
(2) Section 28:6
(3) Section 28:7 (a,b)
(4) Section 29:10
