

Multiple-page homework must be STAPLED when handed in.

Turn in starred problems Tuesday 11/6/2007.

Section 9.9: 2 (a), (d)*; 12 (d), (f)*

Section 9.10: 2 (a), (c)*; 3

Section 17.2: 5 (a), (g), (f); 12 (a), (e)*, (j)*, (s)

Section 17.3: 1, 4 (a), (c)*, (l)*

Comments: 17.2 12(j) is a bit tricky—think carefully. On the other hand, 17.3 4(l) is *easy*: with the hint it can be done by inspection. The two problems are related.
