Math 421  Student information  Please print!

Name  ____________________________________________

Major(s)  ____________________________

E-mail address  ____________________________

I would like to make a course webpage with the information above displayed. This should increase the ability of students to work together in this course. Do you agree to having this information posted on the web?

YES ______  NO ______

Students in this course should have had the Rutgers three semester calculus sequence and a course discussing elementary ordinary differential equations and very basic linear algebra. Have you taken these courses successfully? Please explain any negative answer.
