Math 421  Student information  Please print!

Name  _______________________________________

Major(s)  _______________________________________

E-mail address  _______________________________________
A Rutgers address is best.

I would like to make a course web page with the information above displayed. This should increase the ability of students to work together in this course. Do you agree to having this information posted on the web?

YES ______  NO ______

Students in this course should have had the Rutgers three semester calculus sequence and a course discussing elementary ordinary differential equations and very basic linear algebra. Have you taken these courses successfully? Please explain any negative answer.

How familiar are you with symbolic/graphical/computational software such as Maple or Matlab? Please place a check mark somewhere on the line below:

<table>
<thead>
<tr>
<th>Not at all</th>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
<th>5</th>
<th>Very comfortable</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td></td>
<td></td>
<td></td>
<td></td>
