Vladimir Shtelen’s journal publications

4. On one system of nonlinear differential equations invariant under the Schrödinger group. - Ibid., 100-104.

34. On invariance of Dirac equation under different representations of the Poincare algebra. - Symmetry and Solutions of Equations of Mathematical Physics, Institute of Mathematics, Kiev, 1989, 110-113 (with V. S. Spichak).

50. Lorentz transformations for the Schrödinger equation (In honor of Wilhelm Fushchich on his 60th birthday). - JNMP, 1997, N4, 480-482.
