

Real Quiz 1

NAME: (print!) NANCY EZEIFEOMA

E-MAIL ADDRESS: (print!) noe3@scarletmail.netgers.edu

1. Abraham was the father of Ismael and Issac. Isacc was the father of Jacob and Esau. Ishmael was father of Massa and Hadad. Esau was the father of Eliphaz, Reuel, Jeush, Jaalam, and Korah. Jacob was the father of Joseph and Benjamin. Joseph was the father of Ephraim and Menasse.

Draw a **directed graph** where $a \rightarrow b$ means: 'a is the father of b', describing all the above facts.

(Historical note: Some of these men had other sons, but you are only required to use the above information)

Solution:
