

MTH 310: Homework 14

Due: April 19, 2019

1. Reminder that the final exam is Thursday, May 2, 7:45-9:45 a.m. in Wells A236, our regular room. The final covers Chapters 1-6 with a focus on the untested material of Chapter 6 (which of course implicitly uses earlier material). The sample final will be posted early next week. There will be in-class review on Wednesday April 24 and Friday April 26.
2. Do Problems 2, 6, 9, 13, and 21 in Section 6.2.
3. Do Problems 6, 7, 13, 17, and 20 in Section 6.3.
