

Math 32A-1: Homework Week 1

1. Friday, September 25: Read Section 13.1 and do exercises 13.1.4, 13.1.7, 13.1.14, 13.1.19, 13.1.24, 13.1.28, 13.1.42, 13.1.60, and 13.1.63.
2. Monday, September 28: Read Section 13.2 and do exercises 13.2.5, 13.2.13, 13.2.27, 13.2.29, 13.2.34, 13.2.40, 13.2.45, and 13.2.50.
3. Wednesday, September 30: Read Section 13.3 and do exercises 13.3.9, 13.3.6, 13.3.31, 13.3.34, 13.3.38, 13.3.43, 13.3.55, and 13.3.77.
4. Friday, October 2: Finish up Wednesday's problems from Section 13.3.

Note: In general, homework represents the minimum of what you should be doing after each lecture. If you find that a particular problem is challenging or takes you a long time, you should work a few surrounding problems as well to build your skills.
