Math 131A-1: Homework 8

Due: March 2, 2015. [Note about the due date: Because of the midterm, and because I will be out of town on February 27, this assignment may be handed in either on Friday, February 27 or Monday, March 2. This does not change the due date of Homework 9, which will still be distributed Friday, February 27 and collected Friday, March 6 as usual.]

1. Read Sections 28-29 in Ross.

2. Do problems 20.6, 20.13, 20.16, 20.17, 28.2, 28.5, 28.8, 28.14, and 28.16 in Ross.

3. Technically the sample midterm isn't homework, but don't forget it exists.
