

Math 32B-4: Homework Week 10

1. Monday, March 7: Read Section 18.3 and do exercises 18.3.1, 18.3.3, 18.3.5, 18.3.7, 18.3.9, 18.3.11, 18.3.13, and 18.3.15.
2. Wednesday, March 9: Do exercises 18.3.18, 18.3.19, 18.3.20, 18.3.23, 18.3.25, 18.3.29, and 18.3.30.
3. Friday, March 11: Study! In particular, make sure to look at the sample final.
4. The final exam is Wednesday, March 16, 3-6 p.m. It will be in two rooms.
 - If your family name begins with A-H, please go to Dodd 121.
 - If your family name begins with I-Z, please go to Dodd 147.

The final will be eight questions long. Approximately forty percent of it will cover the material up to the second midterm (Sections 12.3, 13.7, 16.1-6, 17.1-3) and approximately sixty percent will cover the material since then (Sections 17.4-5, 18.1-3).

Please remember that I am *required* to fail any student with an undocumented absence from the final exam. If anything happens to you on the day of the final, please don't neglect to get documentation from your doctor or academic counseling office as appropriate.

I will have office hours Monday, March 14 10-12 and Tuesday, March 15 1-3.
