April 2012

Camping is one of the best events that a scout can participate in. A scout can apply the skills that he has learned by pitching a tent, making a fire, or cooking for his patrol.

Speaking of camping, next month's camping trip is to Ten Mile River Scout camp in Sullivan County, New York. It is near the small community of Lake Huntington and Skinner's fall which is close to the Delaware River. In the summer, this is a great place to go fishing, canoeing, and tubing so come out now and show what you have learned.
