Not everyone has a boat or canoe or can get to a boat or canoe, but, that doesn't mean you can't enjoy them. If you head over to Farrington Lake on the weekend, you'll see a lot of people enjoying themselves in their boats and canoes. So, what can you do? Well, you can still go fishing from the bridge on Church Lane. Farrington Lake is stocked with rainbow trout, yellow perch and bigmouth bass and others. (if you don't catch any don't blame me, blame Wikipedia) If you are 16 and over, you'll need a license which you can print online for 22.50. An additional trout stamp for 10.50 is needed if you want to catch trout.

Spring 2012 Park Cleanup

By Mrs. Blake

...and a great time was had by all! Troop 61 hit Country Lane Park last May 26. We donned work gloves and carried trash bags around, cleaning up the park for the bicyclists, baseball players, and playground users alike. The "Interesting Things Collected" list contained entries such as baseballs, a tire, and a fire extinguisher.

Remember that the cleanups help the troop as well as the community, and are required at registration! We will have another one in the fall. We wish to thank the following participants: Glenn, Glenn, Efen, Katherine, Larry, Evan B, Geminie, Hugh, Brad, Patrick, Matthew, Pinky, Evan, James, Paul, Alex, Janet.
