

Dear Mrs. Westphal,

Allow me to introduce myself. My name is Fred Rocklin. I was born and raised in Nogales, Arizona, however I now live in Los Angeles, California. I make my living as an Architect, but I have become an avid amateur historian.

I am trying to document and write the history of certain important families of the border region. I have been working on the history of the Miguel Latz, Pedro Faerber and Arnaldo Faerber for perhaps the past 15 years.

Last Aug 14, 1983 I visited with Julieta Moreno, your niece in Magdalena. and she was kind enough to give me your address and consequently I'm now writing to you.
