

Expectation Time Graph

Fix the initial value to 0 and vary number of faces

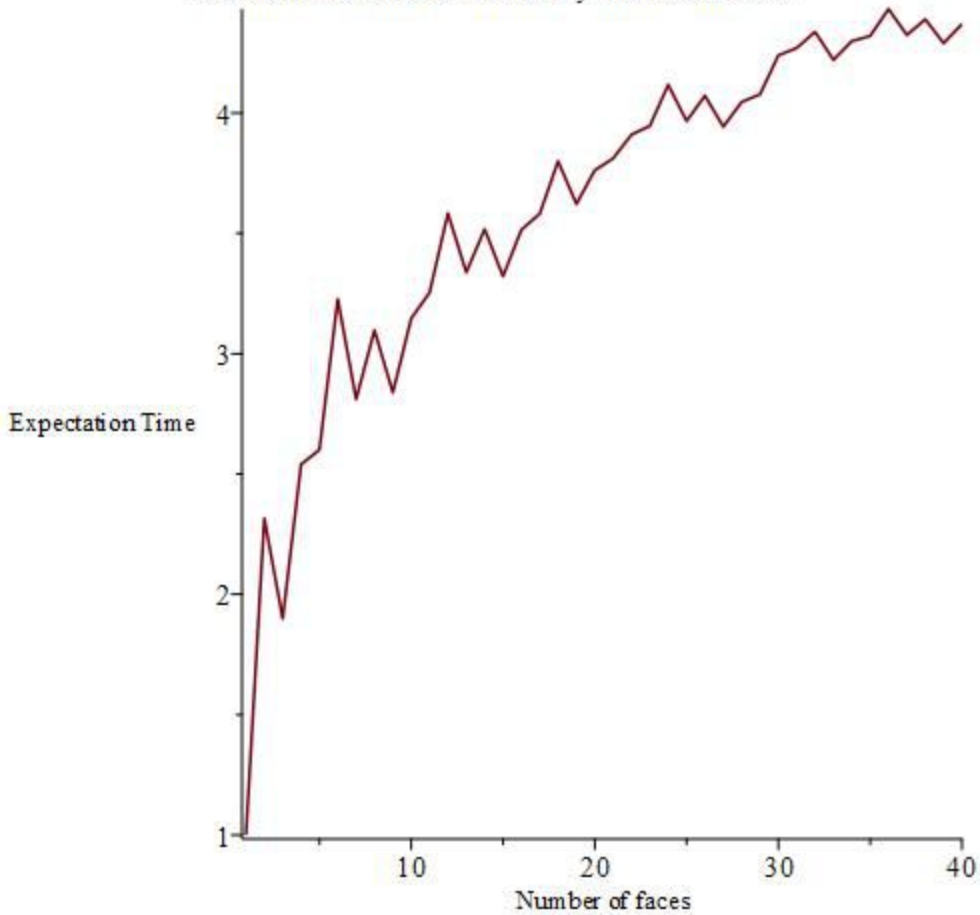

Expectation Time Graph

Fix the initial value to 1 and vary number of faces

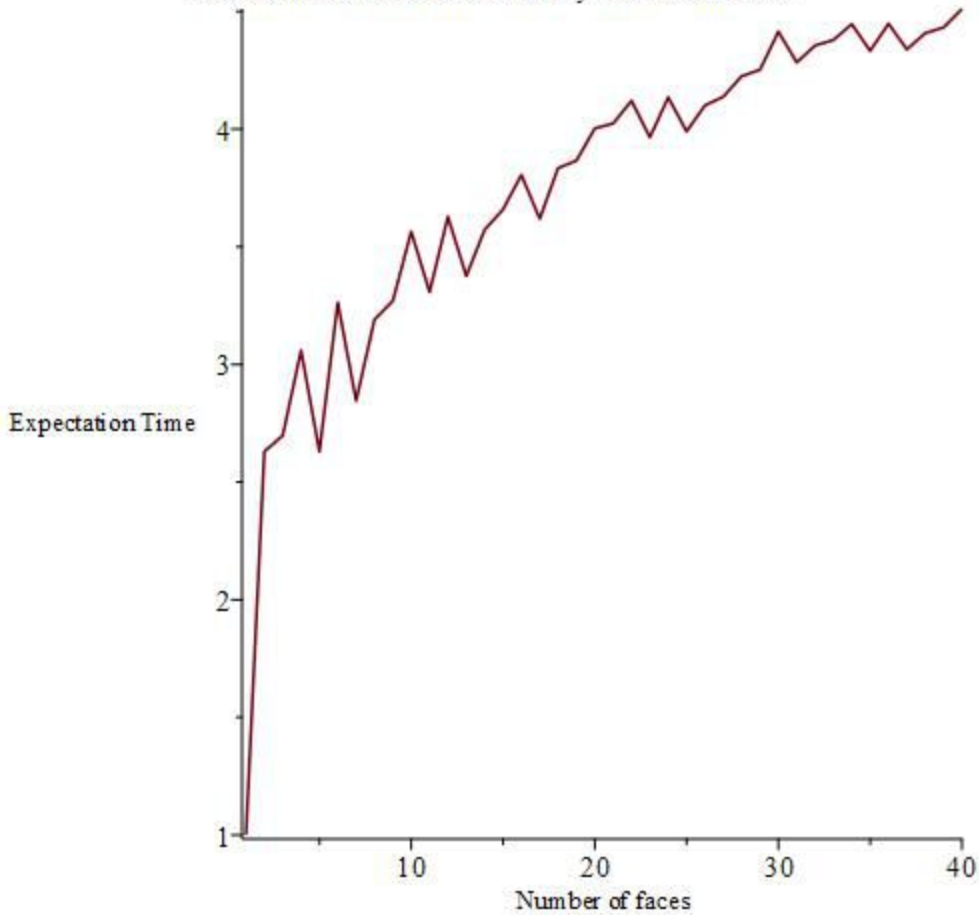

Expectation Time Graph

Fix the initial value to 4 and vary number of faces

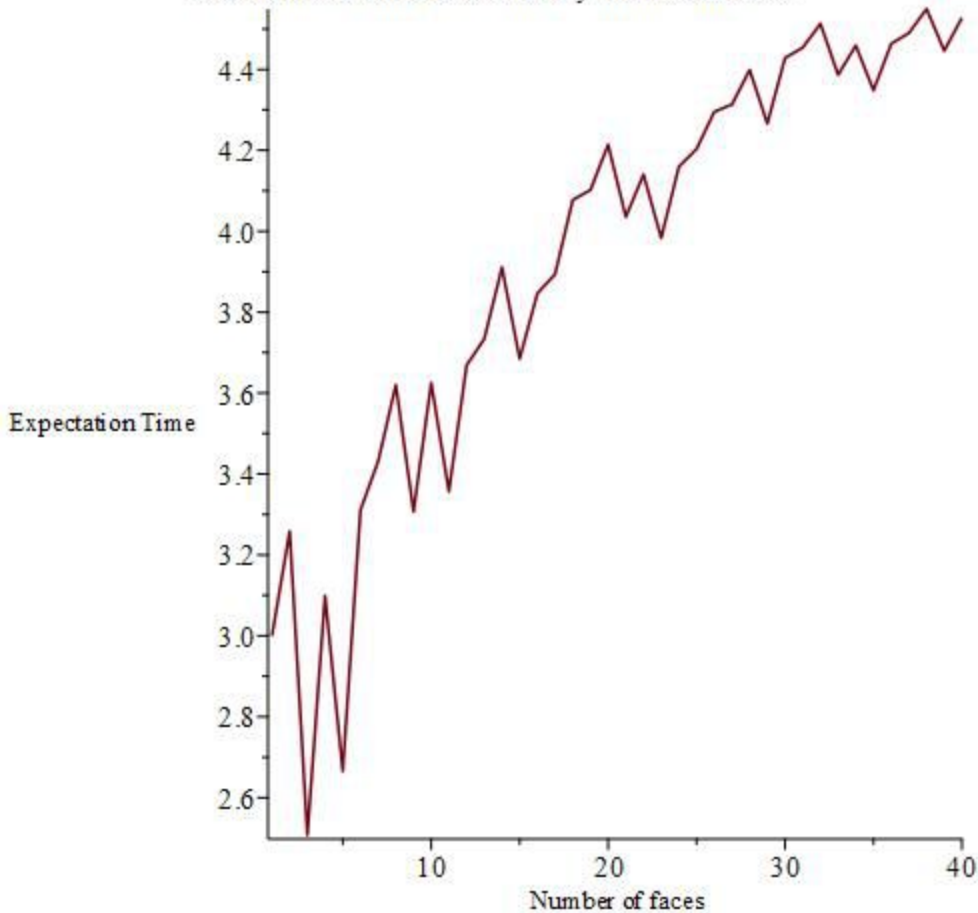

Expectation Time Graph

Fix the initial value to 6 and vary number of faces

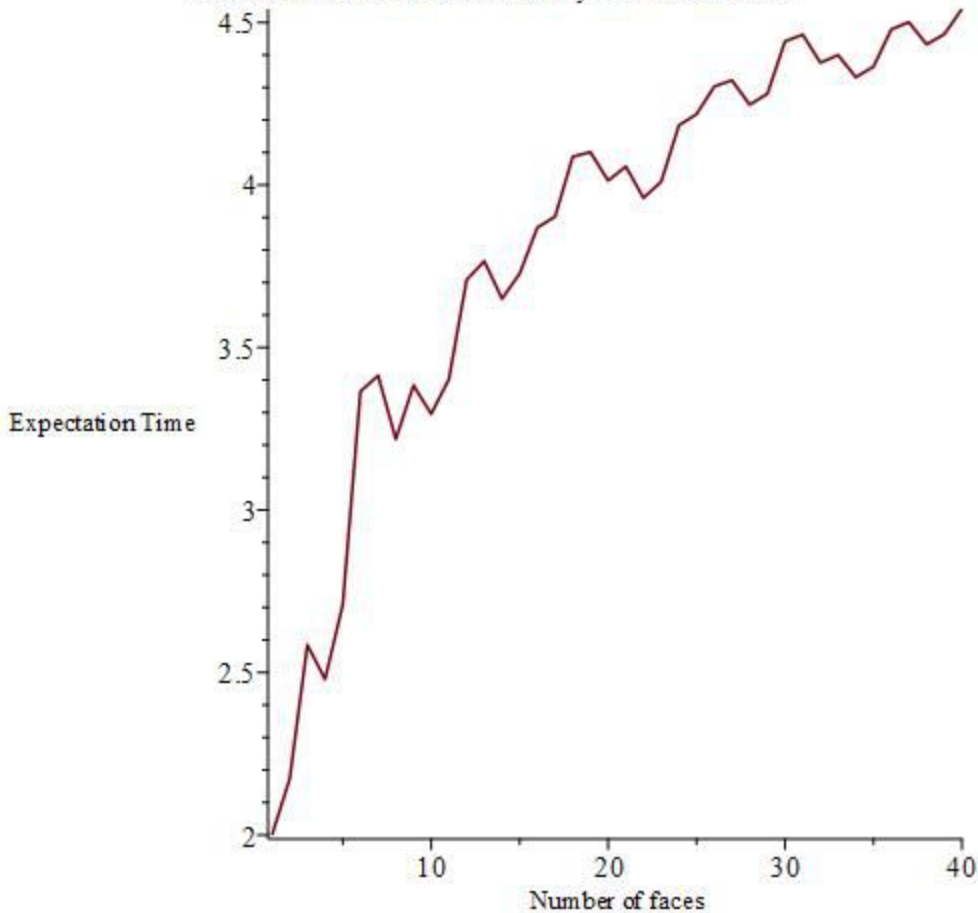

Expectation Time Graph

Fix the initial value to 8 and vary number of faces

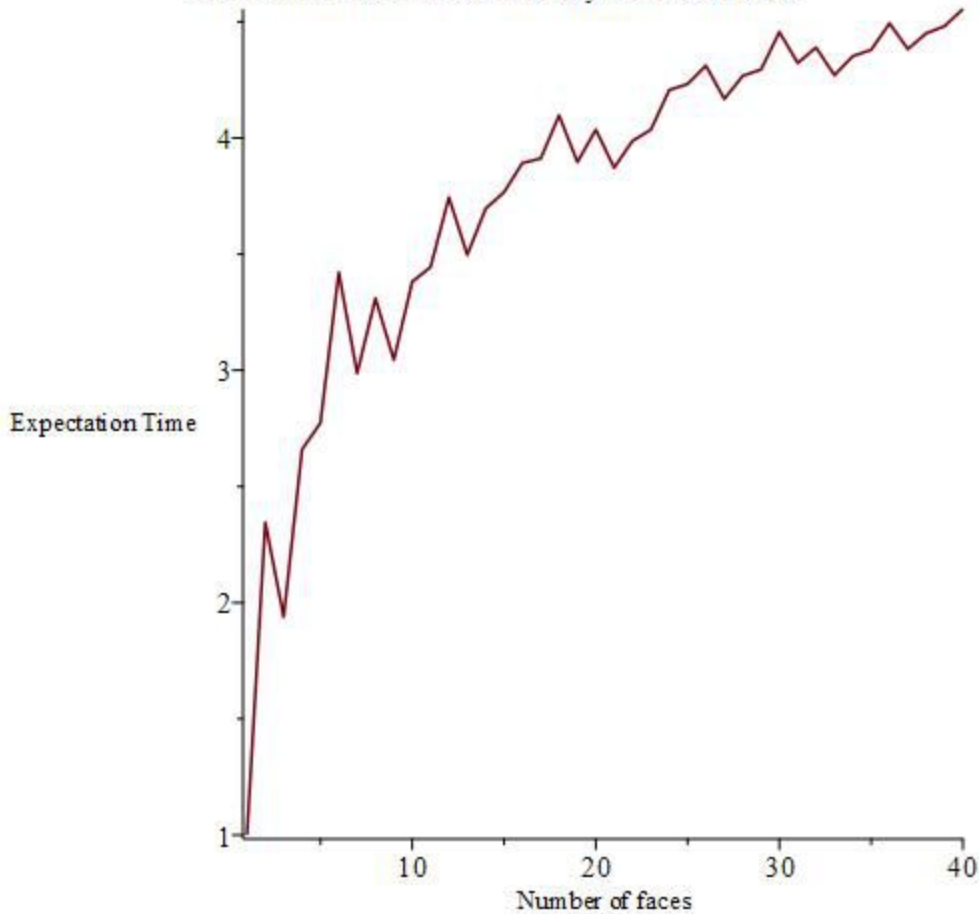

Expectation Time Graph

Fix the initial value to 9 and vary number of faces

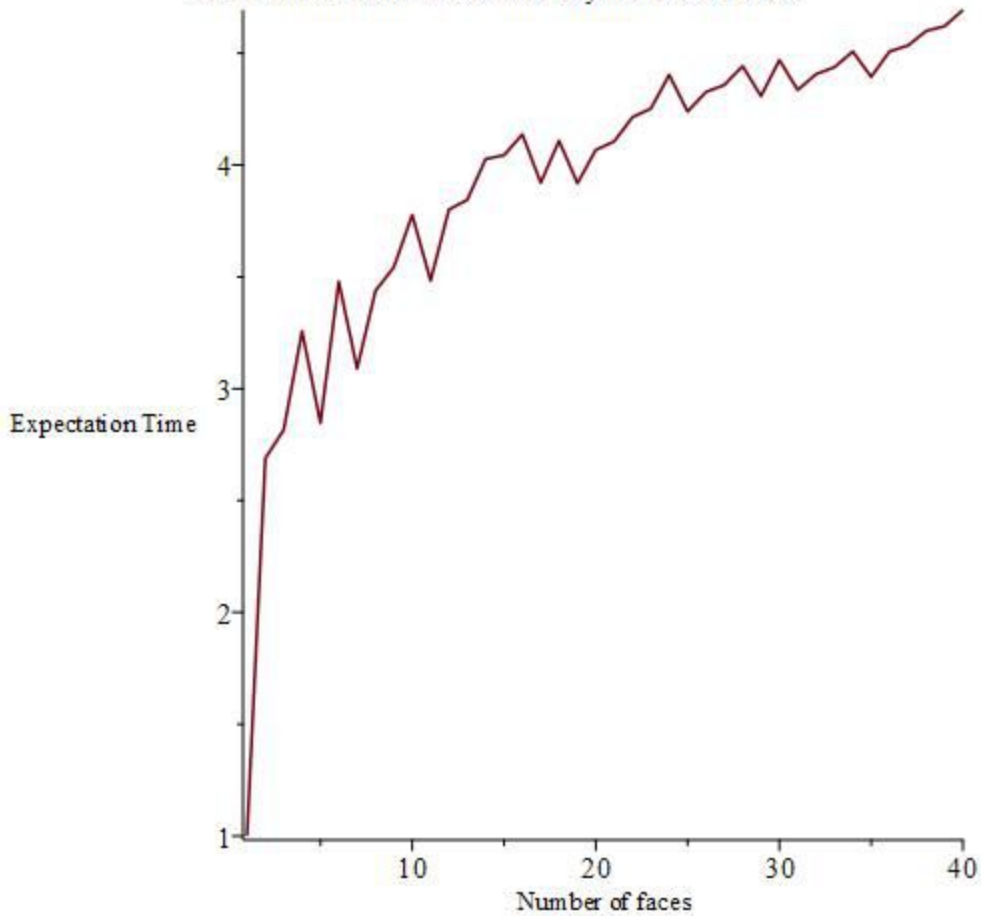

Expectation Time Graph

Fix the initial value to 10 and vary number of faces

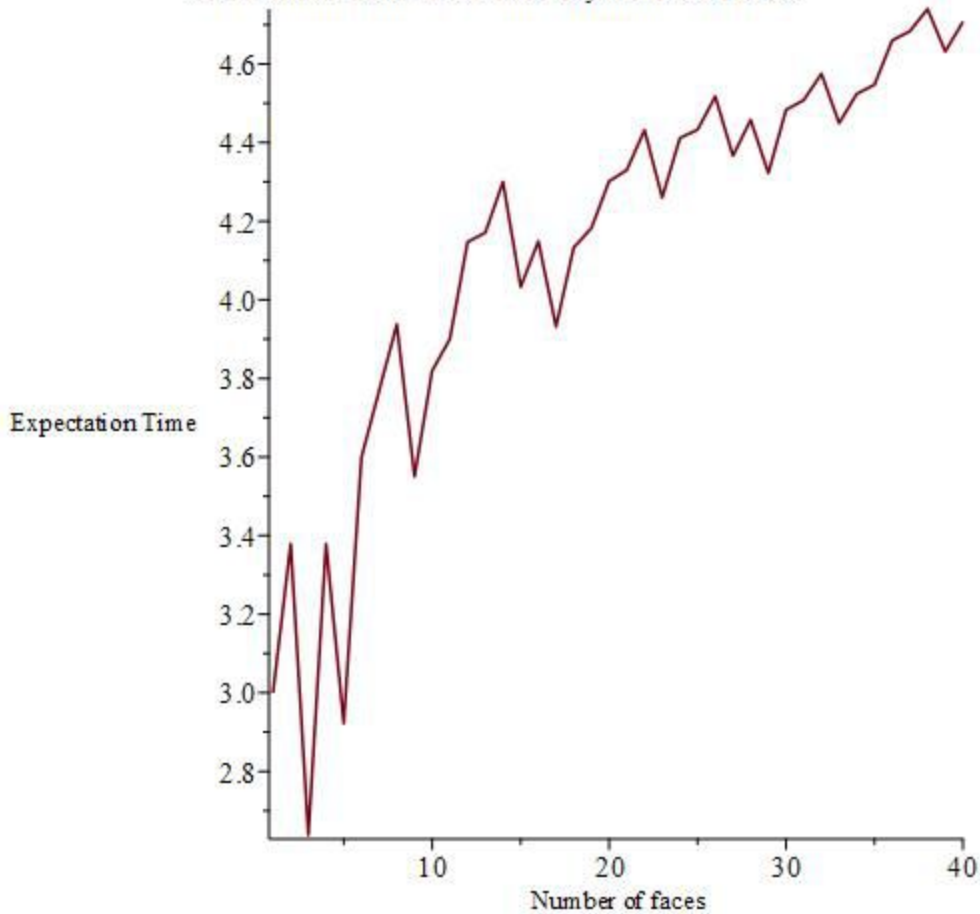

Expectation Time Graph

Fix the initial value to 12 and vary number of faces

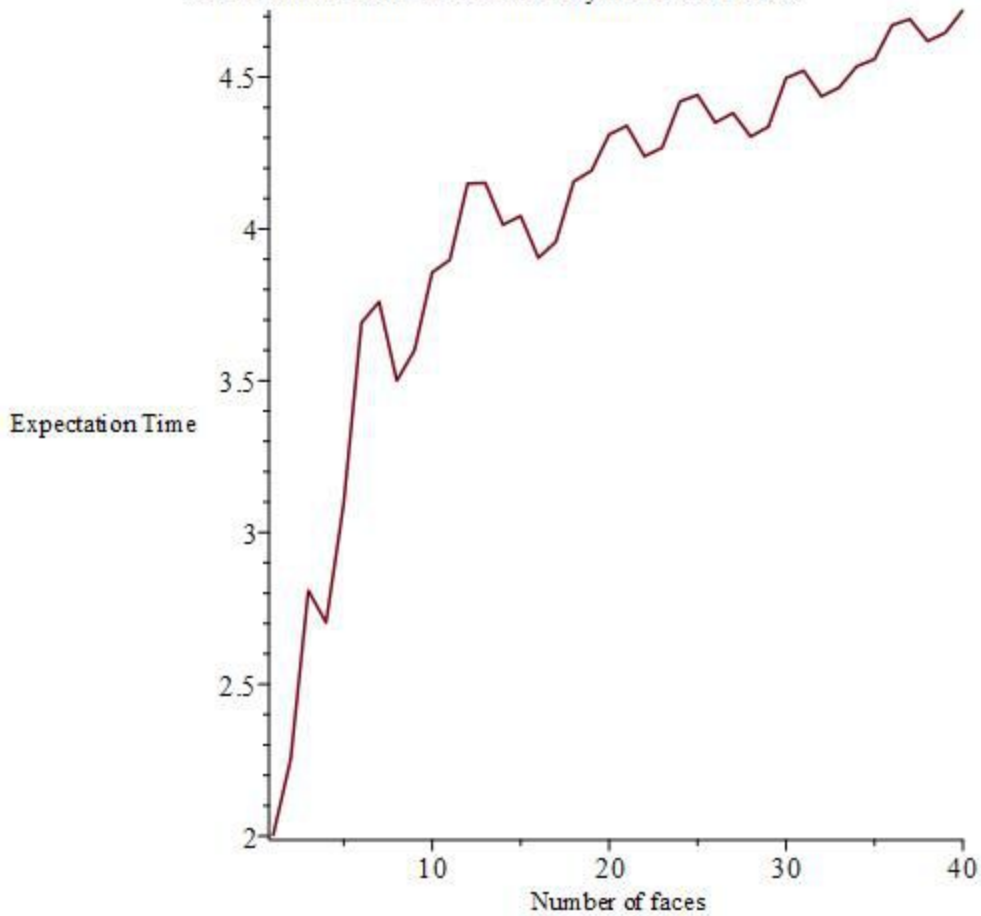

Expectation Time Graph

Fix the initial value to 14 and vary number of faces

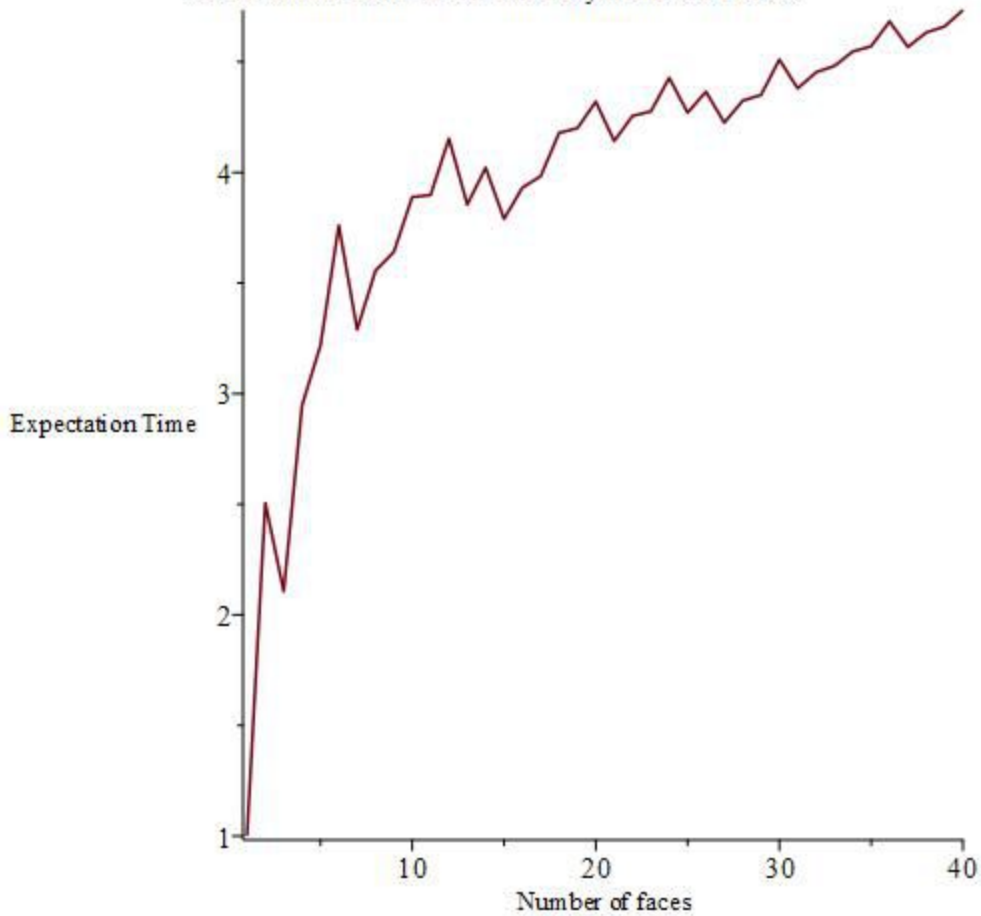

Expectation Time Graph

Fix the initial value to 15 and vary number of faces

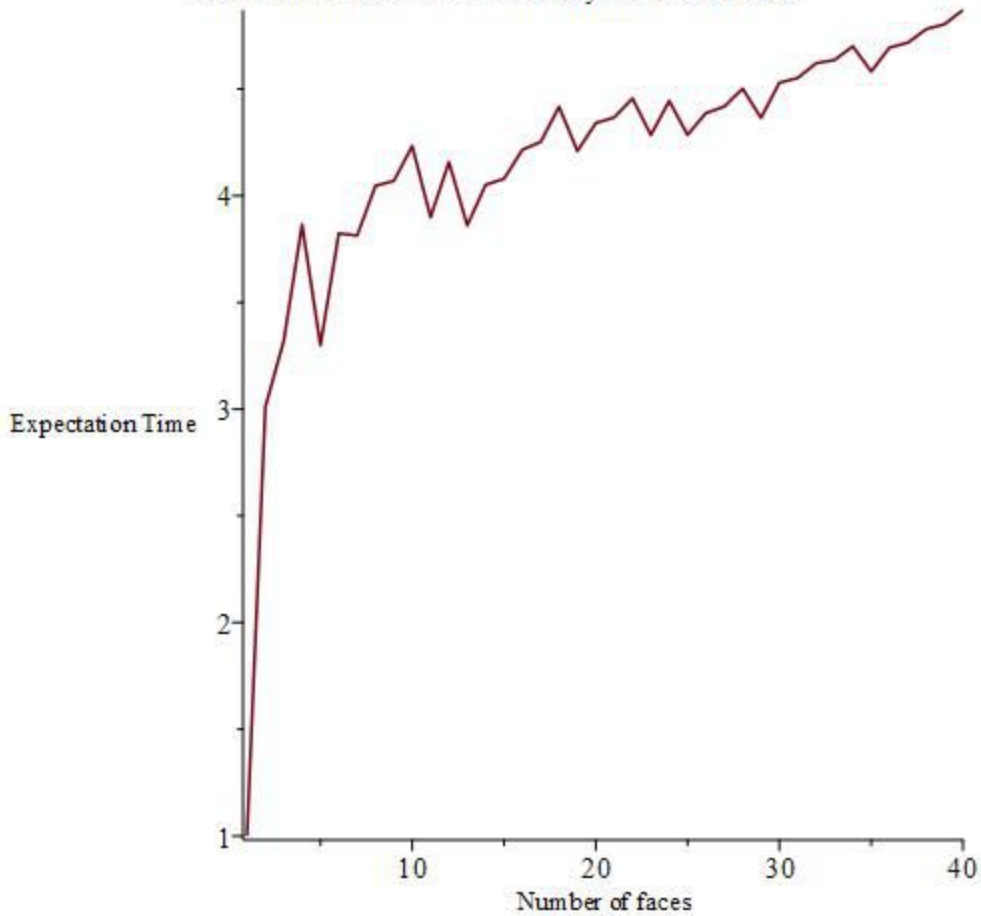

Expectation Time Graph

Fix the initial value to 16 and vary number of faces

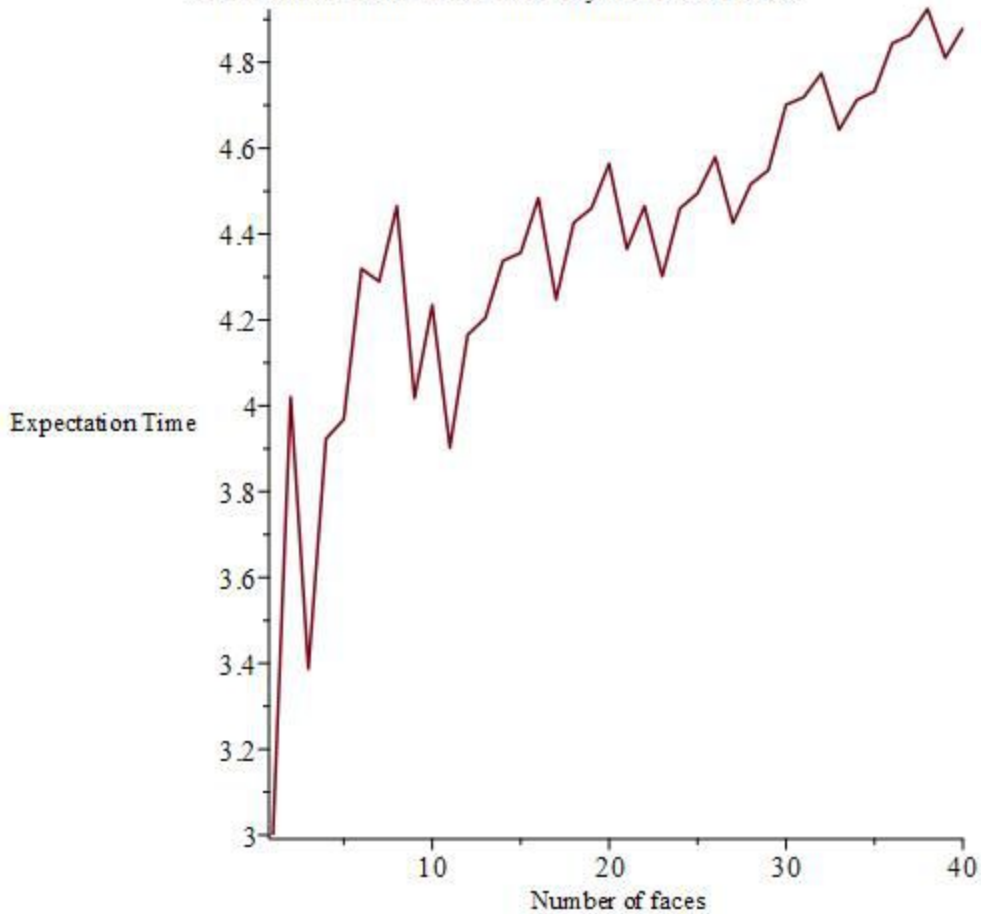

Expectation Time Graph

Fix the initial value to 18 and vary number of faces

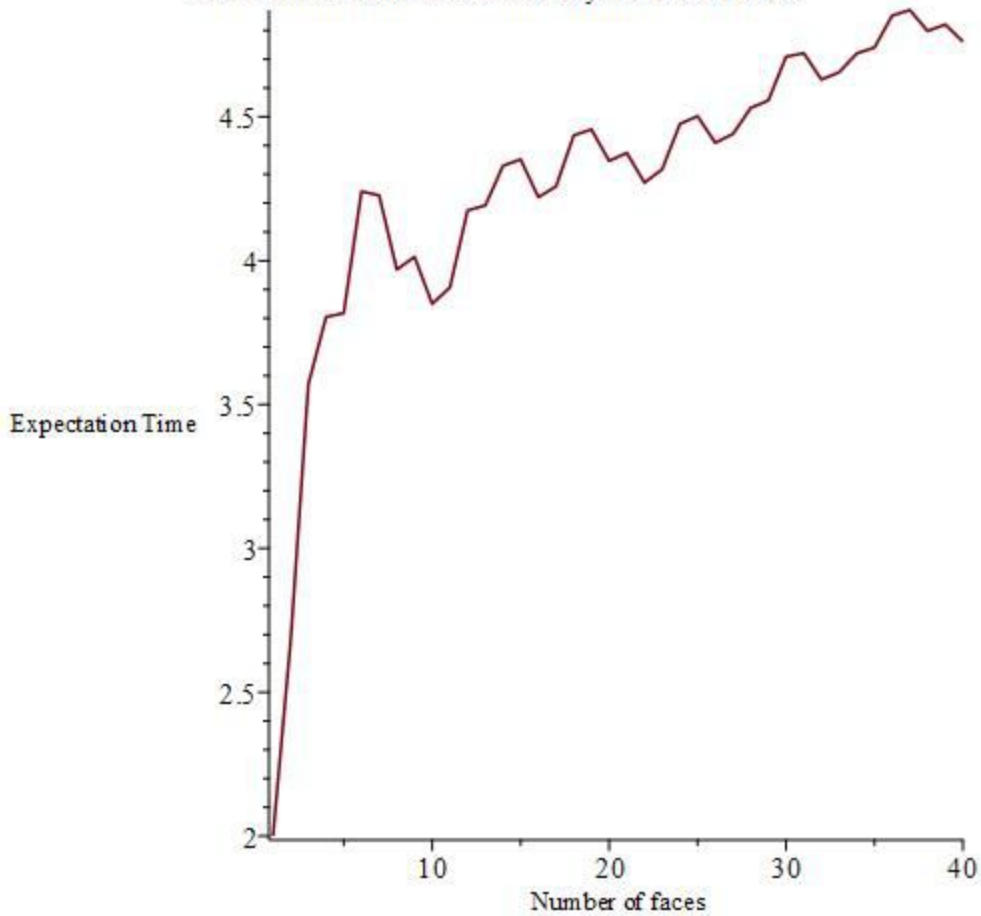

Expectation Time Graph

Fix the initial value to 20 and vary number of faces

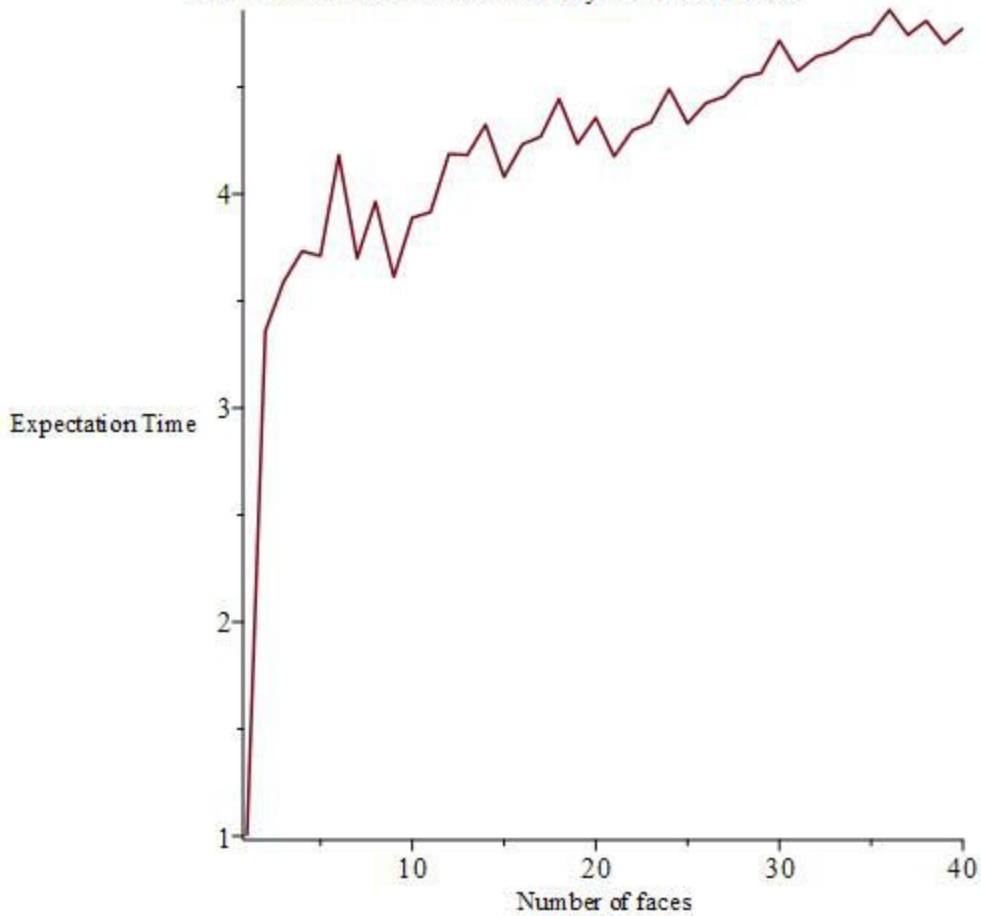

Expectation Time Graph

Fix the initial value to 21 and vary number of faces

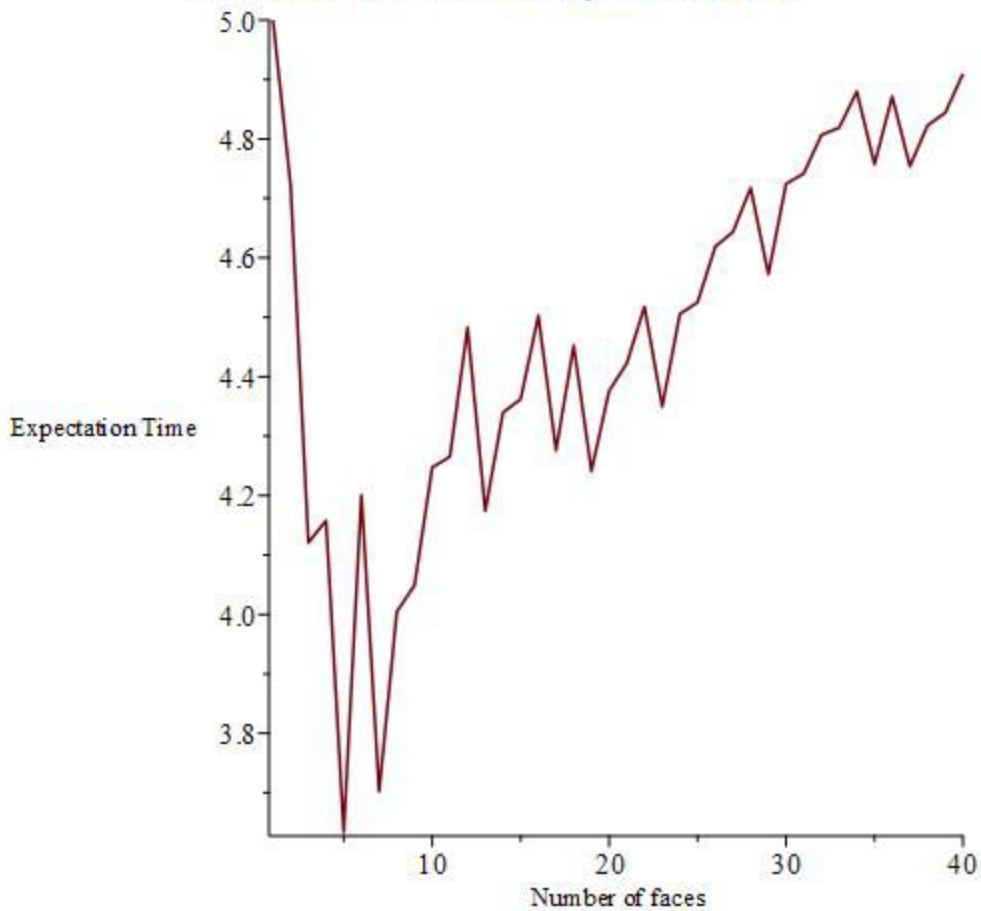

Expectation Time Graph

Fix the initial value to 22 and vary number of faces

Expectation Time Graph

Fix the initial value to 24 and vary number of faces

Expectation Time Graph

Fix the initial value to 25 and vary number of faces
